

## Benches for Sale!

Now, you can support the Arboretum and do your holiday shopping at the same time. For \$145, we'll install a handsome new "Leopold" bench at the Arboretum (picture below) and affix a small plaque with a dedication message of your choice. A holiday card acknowledging your gift will be sent when we receive your form. Your gift will help finance our trails restoration project. Benches will be installed in the spring as we complete our project.

Leopold benches have a simple design and a classic look.

Please fill out this form and send to:  
The Gottfried Arboretum,  
c/o UW Fond du Lac, 400 University Drive,  
Fond du Lac, WI 54935.

Signs like this one will be added to the formal Arboretum. The signs will give visitors information about the forest communities at the Arboretum.

## Trails Restoration Project: "It's a Go!"

Recently the Arboretum received a grant from the Department of Natural Resources to revitalize our gravel trail that runs through the formal Arboretum. The grant will also provide funding to connect a loop of the trail around the pond, as well as create and install informational signage in the picnic shelter at the south end of the trail, and through the formal Arboretum. The total project cost is approximately \$10,000. We plan to complete the restoration work during 2008. The DNR will provide a 50% match for the project, and we'll be asking the community for the balance of the funds. See above to find out how you can help.

The trails restoration project will provide for resurfacing our present trail through the Arboretum, and complete a loop around the pond.

More signage will also be added to the picnic shelter.
