

Building a Foundation for the Future

Your purchase of commemorative bricks on the Celebration Walk at UW-Fond du Lac helps to **build the foundation for the future**. Bricks are highly visible and permanent statements of remembrance and support for the campus. Through the Celebration Walk Brick Campaign, you will help UW-Fond du Lac Foundation to:

Invest the Future

Today's students are tomorrow's community leaders and employees. Through the Foundation's Endowment funds, gifts are invested and will pay dividends forever by providing funding for scholarships and campus initiatives.

Promote Excellence

Supporting excellence at UW-Fond du Lac is the mission of the UW-Fond du Lac Foundation. We help enhance educational experiences by supporting professional development grants for faculty and staff that increase student learning while providing national and international recognition for the campus. The Foundation strives to assist the campus in creating a high-quality learning environment by supporting educational and cultural events on campus.

Make a Difference

The UW-Fond du Lac Foundation exists solely to support the efforts of UW-Fond du Lac. Every gift makes a difference. UW-Fond du Lac Foundation provides annual scholarships that assist students in pursuing their dreams. The students who attend UW-Fond du Lac are our friends and neighbors. They are, and will be business owners, educators, lawyers, engineers and others who will serve the Fond du Lac area.
